A wide range of products and events make ACR News the perfect advertising choice

Specialist supplements and guides throughout the year

ACR News explores industry relevant topics, producing supplements which focus on some of these specialist areas.

Be they industry trade shows with which we develop media partnerships, product guides or specialist supplements, we are constantly evolving our portfolio to meet our readers needs.

The Green Issue

Energy efficiency, reduced emissions, refrigerant issues and product recycling are just some of the topics included in our big environmental supplement.

This annual publication will be included as part of the June issue of ACR News in 2017 and is mailed to the entire circulation.

ACR News Awards

ACR News hosts the annual ACR News Awards, and produces a winners' brochure celebrating the achievements of the industry.

The winners' brochure is sent to the full circulation along with the May 2017 issue of ACR News.

The ACR News Contractors' & Installers' Handbook

The ACR News Contractors' & Installers' Handbook is not only the most valuable source of industry information but also acts as

a useful day-to-day diary and work planner. Designed for contractors, installers and facilities managers, the Handbook has become

indispensable for the ACR professional in the field. The handy A5 size is perfect for carrying about and allows instant on-site reference.

Page A5	£1,350
Half page A5	£950
Quarter page A5	£505
Diary pages (3 months)	£1,570
Product focus (quarter page A5)	£370

Recruitment and training

Half page	£675
Quarter page	£370

Guarantee that your message will be seen repeatedly with classified advertising

Buyers and specifiers guide

Your customers are on ACR-News.com, are you?

The industry website for air conditioning and refrigeration professionals

www.acr-news.com helps you reach your customers online by:

- Generating more business leads and sales
 - Increasing exposure and traffic to your website
 - Building your brand to the right people
- Be found easily on our site and through search engines.

Online

- ACR News sends out over 13,000 subscription email newsletters/alerts which constantly drives traffic to www.acr-news.com
- ACR News provides constantly updated news feeds
- Google finds over 100,000 pages from the site – this gives ACR News and its clients massive exposure across the internet in general
- ACR News encourages users to respond to articles/products to online advertisers, and enjoys huge benefits from word of mouth marketing
- ACR News regularly takes online advertising and email marketing on other related industry sites

Digital issues

All ACR News magazines and supplements are available in digital format. Digital issues, or ebooks, are interactive with live hyperlinks, video capabilities, and additional advertising opportunities which target the evolving online generation through tablets and smart phones as well as the classic desktop PC.

- Full page advert appearing to the left of the front page when digital issue is loaded: price on application
- Ticker across all pages of digital issue: price on application

Magazine App

- Quarter page advert on the welcome page of the app: price on application

The HVAC & Refrigeration Show

23-25 January 2018 • Excel London

Bringing brands to life

Live in London

This is UK's only commercial exhibition for air conditioning, heating, ventilation, heat pumps, building controls and refrigeration, including the refrigerated transport sector

New Reach

The HVACR Show returns to the city of London, at the ExCel, which places the show within easy reach of big business.

Moving to ExCel will generate new commercial opportunities with the lucrative South of England, London and the Home Counties.

ExCel can be easily accessed by major transport links and airports, to attract more visitors from all over the country

New Approach

We have put in place new initiatives, designed to engage key brands and reach industry nationally and internationally

- Large stands options
- Skills development programs
- Live debates on key issues

Excellent networking events linked to the show

- Working lunches
- Evening events, including exhibitor drinks and awards

Business opportunities

We have created an extensive exhibitors marketing and pr opportunities, providing greater coverage through print media, digital platforms, and linking to the live networking events, both pre and post show.

SkillFRIDGE Competition Series 2016

About the Official Organising Company

Datateam Business Media

Datateam is a modern and dynamic communications business with a product portfolio covering six businesses-to business, including education.

Datateam BM has a proven track record of effectively working with RACHP industry hosting the national industry exhibition, industry awards and producing leading industry magazines and digital platforms, all of which provide us with the tools to design and operate the SkillFRIDGE competition series.

SkillFRIDGE is part of Datateam Business Media Corporate Social Responsibility strategy

About WorldSkills UK

Mission statement

WorldSkills UK champions world-class apprenticeships and technical skills development programmes.

This organisation brings together World Skills Competitions, The Skills Show and The Skills Show experience, providing every young person with the chance to unlock their potential and get excited about the world of work. Through hands-on experiential activities and skills competitions, WSUK helps to shape futures and transform lives, with possibilities for competitors to access the international competitions

About SkillFRIDGE

Our commitment

SkillFRIDGE's role is to work in partnership with industry sponsors, colleges and equipment suppliers and oversee the strategic development and implementation of a framework of World Skills UK competitions that support regional activities, progressions to the National Finals at The Skills Show, and the series launch competition at The HVAC & Refrigeration Show (during show year).

SkillFRIDGE goals are to highlight the RACHP skills importance in modern life and careers paths available through industry events and media awareness..

Promoting the demand for apprenticeships and training

A platform for RACHP industry to engage with young people

Raising standards at National level

SkillFRIDGE steering group will set the regional and final test projects, develop and circulate training guides to promote learning activities and provide access to industry events.

The high level steering group includes key representatives from ACRIB industry

Being part of WorldSkills UK Portfolio helps us achieve those aims

Brand sponsors

Equipment suppliers

Media partners

23 March 2017
The Chelsea Harbour Hotel
London

The coolest networking event of the year!

The first and original awards specifically for the air conditioning and refrigeration industry, the ACR News Awards pay tribute to companies which are able to demonstrate excellence in their field, exceptional customer service or true innovation.

The awards will provide an excellent opportunity to network, as well as an evening of entertainment with hundreds of people from across the air conditioning and refrigeration industry.

How to enter

Entering the ACR News Awards is free and easy to do. Visit the website to see the criteria and find out more.

How to attend

We are already open for table sales! Visit the website for information on how to secure your seats.

Readers' Choice

For the first time, the ACR News Awards will be celebrating those individuals from the industry who have gone above and beyond the call of duty.

Focusing more upon readers, the categories have been designed to be all inclusive and putting the readership at the heart of the event

In the spirit of fully engaging with industry, voting for many of the categories will be conducted online, allowing the entire industry to have their say, and making the event something for everyone.
